

L'ATELIER
Rue de Bellevue - BOUGUENAI

PLAN DE COMMERCIALISATION

This architectural rendering shows a modern residential development. The central focus is a large, light-colored building with a flat roof and a series of windows. To its left, a row of smaller, multi-story houses with gabled roofs is visible. The complex is surrounded by lush greenery, including large trees and a central courtyard area. In the foreground, a street with a cyclist and a pedestrian is shown, along with a blue circular road sign. The overall scene is bright and sunny, suggesting a pleasant urban environment.
